

Information notice to partners regarding the General Data Protection Regulation (GDPR) within the Rimaster Group

Intended for the representatives of business partners of Rimaster.

In the execution of the contractual relationships between Rimaster and our business partners, Rimaster processes personal data about you as a representative of a business partner. Exactly what personal data that will be processed about you depends on the nature of the contract and your position within your company, but is normally limited to basic contact information, such as name, e-mail address, telephone number and information about where you work and your work title.

Rimaster processes the personal data because it is necessary for the fulfilment of the business contract and Rimaster will process the personal data for the duration of the contract. After the termination of the contract, some of the personal data may be further processed for archiving purposes, statistical purposes or because of a legal obligations.

As a general rule, Rimaster will not share your personal data with actors outside the Rimaster Group other than with relevant data processors and even then, only for maintenance purposes. Additionally, Rimaster may have to share your data following requests from governmental authorities. Questions about what technical and organizational measures that have been taken to protect your personal data can be referred to the Data Protection Officer of the Rimaster Group whose contact information can be found below.

You have the right to obtain information about whether or not your personal data is being processed and access to the personal data (i.e. so-called copy of personal data undergoing processing). Furthermore, you have the right to request the rectification or erasure of your personal data, the restriction of the processing, to object to the processing of your personal data and to request data portability. However, these rights are not absolute and Rimaster will examine your request and determine if your demands can be met upon examination of relevant data protection dispositions.

You always have a right to lodge a complaint with the supervisory authority in the country in which you reside. Nonetheless, you are always welcome to contact the Data Protection Officer of Rimaster if you are not satisfied with the processing of your personal data.

The controller of processing your personal data is depending on with which company you are a business partner:
